### The Lady:

Debbie is medium high, full figured and with large tits. Jenny is a classic MILF with small pert tits and a gorgeous bum.

### The Story:

I have seen Debbie and Jenny separately on a number of occasions and have always had a great time.

This visit they were offering a 2 girl special for ?100 and that was an offer I couldn't resist.

They were all over me from the start and the whole experience is a blur of tits and pussies.

Highlights were licking Debbie while Jenny sucked and played with her tits, kissing and playing with Jenny's tits while Debbie fucked her with a strapon and Jenny sucked me, finger fucking Jenny until she squirted over my fingers, all against a soundtrack of filthy talk. My tongue and fingers were kept well busy and I seemed to have lips roaming my body all the time.

I held out gamely through all this, then Debbie climbed on my rigid cock while Jenny sucked my nipples, then Jenny climbed on top and rode me while Debbie licked my balls. At that point I resigned myself to a shattering orgasm and collapsed on the bed with a smile on my face a mile wide.

These women certainly know how to please a man. Treat yourself.
