The Premises:

Basement flat. Very nice, clean, and cosy. Waiting room has a DVD player with some S-M porn to choose from whilst you wait. The Maid is very nice, friendly and welcoming.

The Lady:

Kate is gorgeous. Sex on legs, and really "looks the part".

Tall brunette; slim but beautifully curved. Amazing long legs and a bum to die for. Comparisons with Catherine Zeta Jones and Liz Hurley aren't way off - same "style".

The Story:

My first forray into S-M of any kind. Kate was very friendly and asked me what I wanted. Didn't want anything too hardcore for my first session. I wanted to worship her beautiful legs, feet, pussy and bum whilst she had me on a leash and humiliated me verbally. This she did with aplomb. Kate is an amazing dominatrix, and is quite a prescence: her gaze is stern as hell and incredibly sexy at the same time. Ditto, for voice. When she returned into the room after we'd sorted the preliminaries, I definately "knew my place": I was admonished for standing up in her prescence and asked to get on my knees; and so the session began - it's a moment I doubt I will forget.

I had a really enjoyable session with Kate(though a slightly overwhelming one for my neophyte self!). I will definately be back to see Kate again soon, when hopefully my nerves will have dissipated somewhat by then. Thank you Mistress Kate for an excellent session.
