The Premises:

Block of flats probably built in late sixties on a main road a few minutes walk from the tube station. Melody's flat is round the back. Inside it was fairly basic but the bedroom was large and homely.

The Lady:

Melody is a large lady but she makes no attempt to hide this on her photos. She even includes her weight on her website. She has a pretty face and a nice smile.

The Story:

Melody had texted me her address minus the flat number. I called her once I was outside for the flat number. I then buzzed her intercom and she let me in. She was wearing a dressing gown. She is as friendly as she appears on her photos and there was no awkwardness. After a shower, I joined her in the bedroom. She had shed her dressing gown and was now clad in black underwear.

The bra soon came off to reveal a huge pair of warm, soft boobs. I spent most of the half hour fondling them or with my head submerged in them. She allowed me to rub plenty of baby oil on them and also on her big round arse. She gave me a tit wank with her on top. My cock was completely submerged by her boobs.

I attempted to have sex in the doggy position but was unable to gain entry, my fault not hers. I wasn't bothered as I had come for a good tit fuck. I got on top of her and fucked her huge tits leaning over her, looking into her face. She implored me to cum over her tits and I obliged. Most of my cum trickled on to her neck so I helped her to clean up.

A good session with a lovely, down to earth lady.
