The Story:

We started with a chat on the bed to catch up as I had seen her several times before, then we proceeded to the shower to get better acquainted. Following this Alex gave me a good massage before I spent a considerable time enjoying giving her oral which she gladly returned when she recovered from her orgasms. We then had sex in several positions including both our favourites - hers is doggy mine is between us. Time was up far too soon but we will meet again. pity I can't keep her to myself !!!
