The Premises:

Big semi detached, close to Heathrow. Despite the big driveway, still a little exposed.. with shops opposite.

House was redecorated and re-carpetted last week. Some nice touches and care taken. all in all a very nice place. Continuing the high standards I've come to expect from Laceys (Slough).

Maid was really nice too - had to wait for 15 minutes, and she kept popping up to make sure I was ok - sweet of her !

The Lady:

Zoe and Candy were available..both serious stunners! Opted for Candy, due to a previous visit.

W.O.W - tall, leggy, blonde lapdancing stunner (Spearmint Rhino !). Fit, toned, mid twenties, fully shaven, enhance boobs. In fact, straight off the pages of PLAYBOY !

Greeted me like an old friend, big snog and cuddle. I opted for the 'cum twice' service. Started with a lapdance - fantastic surprise, and so horny, it nearly made me shoot right there and then ! Down to OWO, and plenty of shaft/ball licking, sexy eye contact - great technique. Shot my load gleefully into her hungry mouth. She cleaned me up and gave me a lovely massage, really put me at ease and very relaxing... while the old 'chap' recovered for round two. Big snogging, fingering, and fanny-munching session. At my request, on with the rubber and after a bout of cowgirl, finished in the missionary position - with Candy making all the right noises and encouragement. Never any signs of being rushed or clock-watching.

The Story:

Guys - What can I say... would like to keep her a secret, but she is absolute dynamite, and a rare gem. On top of all that, she is actually really lovely and genuine - we got on like a house on fire. I am a big ugly bugger, but she made me feel like like Brad Pitt.

Candy is usually a cover-girl at Laceys - But why oh why is she not a permamanet fixture ? I think she could really be the star attraction.

Go see her guys, before she finds a permanent residence soewehere else.

Treat her well, and she will suck your plums so dry.. they'll look like prunes !

TOP PUNT !!
