The Story:

Was introduced to three girls, all up to the usual high Divine standards. Not an easy choice, but Chloe's confident demeanour and welcoming kiss sealed the deal.

I was already naked when she came back, and we got straight into it. Loads of passionate kissing, soon followed by a cracking blow job. I knew I wasn't going to last long so asked if I could give her a facial. I soon came by the bucketload and creamed her pretty face, and some went in her hair (sorry babe!)

After she'd cleaned up, we were soon back kissing passionately. She got me hard again, enough to fuck for a while, but having properly emptied my sack I couldn't manage to cum again in the time. If I hadn't been pushed for time I'd have extended the appointment.

Chloe's a superstar, who clearly enjoys her job and knows how to properly please a guy. I'll be back for more.
