### The Premises:

Clean and tidy terraced house in what seems to be a safe area and Very friendly maid.

### The Lady:

she about 5'8 ft in tall stunningly beautiful girl, early twenties tan skin beautiful face with long blond hair .

### The Story:

she is absolutely gorgeous, very sensual and sexy i cant conteol myself she look so hot with brown come-to-bed eyes and a warm smile I gave her a long, very intimate massage - she had no qualms about me fingering her pussy, and she came a couple of times, Then it was my turn, and she played with my balls and wanked me off as I'd requested, She made me strip then lay on the bed and showed of her soaking wet pussy which she seems very proud of, and i can see why. On with the rain coat and then she sucked me off while she made me finger fuck her and thumb her clit. She was soaking wet and seemed to really enjoy it. in her knees she gave some great OWO which was deep

Then put me on my back and squated over my face while fingering herself over my face and wanking me off - didn't last long after that..

Very sexy and very horny girl, i think she likes her job! Can't wait to go back
