The Premises:

Clean place with en suite, bit small but easily workable. Mirrors pretty much surround the bed. Discrete enough entrance but on to a main road and set of lights - no waiting outside though, straight into a hall.

The Lady:

Medium height, slim (size 8, maybe at a push a 10), good legs, tight ass, large and firm (enhanced) boobs. Short red hair, pretty girl of about 27 or so.

The Story:

Excellent service - I had become a little disillouisioned of late but this girl sorted that out. A really good GFE with lots of nice kissing, interesting chat and plenty of stroking. Little man up in record time, nice kissing as I said, nibble on those boobs before very, very good OWO (?10 extra on top of the standard ?40) before climbing aboard for an excellent mish all the way to a shuddering completion. Highly recommended - not something I've been able to say for a while. There every Wednesday apparently - I will be back.
