The Premises:

This was an afternoon Max's Angels party with Anastasia, Nicole, Isabel and Sindy. The location was a two bedroom modern apartment near Victoria.

The Lady:

Anastasia is athletic and blonde, Nicole is brunette and curvier, Isabel is brunette, curvy and busty while Sindy is petit, blonde and busty.

The Story:

I've met the two Welsh minxes many times before and really like them a lot, but I was also keen to meet the two new girls. While we were waiting for other guys to turn up I chatted with Anastasia who, while born Czech has more of an Italian accent. She looks just like her pictures, quite tall with a lithe, athletic build, long blonde hair and model looks with large, expressive eyes. I really fancied her right from the off. Nicole was a nice contrast, an English rose with girly curves, long brunette hair, softly spoken with a lovely smile.

Not every guy turned up (see later) but having waited for a bit the party got properly under way. The event was held in a modern two bedroom apartment so Nicole and Anastasia went into one bedroom while

Isabel and Sindy went in the other. I decided to go with the new girls first, but had to wait a bit while two other guys got first dibs. Eventually Anastasia turned her attention to me. I was expecting a little chaste kissing to start with so was a little surprised when she opened her mouth wide and stuck her tongue down my throat! It must be a European thing; still, when in Rome ... Then she knelt down on the floor and starting sucking my cock quite firmly, getting me really hard. We moved onto the bed where Nicole was getting "seen to" by one of the other guests and she sucked me some more.

Another guy took her from behind while she was doing this and some gentle spit-roasting ensued while I fondled Nicole with one hand. All this had got me fantastically horny and I could take it no more, asking Anastasia to lie down on the bed (still with a cock in her pussy) while I wanked myself all over her perfect tits.

After cleaning myself up I made my usual mistake of diving straight back in rather than taking a break, this time with Isabel and Sindy. These porn babes always get my motor running and I had

them almost all to myself. After Isabel sucked me hard, Cindy got the first hard fucking of the afternoon, first in the missionary position, then doggy (Isabel was whinging that she'd done all the work but Cindy was getting the payoff!). Cindy's such a lovely, friendly, soft-spoken girl that you'd never believe she did porn; that is, until you're on top of her and she's telling you to fuck her hard and spunk all over her cunt! Isabel, on the other hand, is as naughty and outrageous as you might think; she took over after a while and bounced on my knob while Cindy lay to one side and played with herself. If this had been the start of the party I would have shot my load then and there, but I wasn't quite ready at that point, so eventually we stopped and went to get something to eat and drink in the living room.

During the break I learned another of Isabel's stories of her wild misbegotten youth which I won't repeat here - how that girl has survived intact to this point based on what I've been told over the years I'll never know. I managed to get her attention by mentioning that I'd recently seen a TV programme with George Clinton on it (note - to impress Isabel you might want to claim that you've recently undergone an acid trip while listening to Parliament Funkadelic or that you really admire Bootsie Collins' bass technique).

Then back to work(!?!). Anastasia was available so she sucked my dick back to life, then I went down on her and licked her shaved pussy. Then she knelt down on the bed and I took her from behind and vigorously fucked her. She was quite noisy by this point, some seriously loud moaning while my thighs slapped against her arse. It turned out that Anastasia was the one who was going to get the payoff after Cindy and Isabel's efforts as I pulled out, ripped the condom off spunked all over her tits again, gently rubbing my cum all over them with my cock.

Then another decent break, some food and drink and some discussion with Max about various things. In particular I let him know how fabulous I thought Anastasia was. As a side-note, at various times

Anastasia had at least three different outfits on and she looked stunning in all of them. Even getting dressed at the end of the party, wearing tight dark jeans and a bra, she still looked lads mag gorgeous.

Around this point one of the other guests left so there were only three guys still there including me. Naturally I felt I had to spend the remainder of the party with Nicole. Unlike the other girls, who basically stripped naked for sex, Nicole kept on her black lingerie, so I had to move her panties to one side to lick or fuck her. No problem though. After a bit of gentle kissing, sucking and fondling she sat on my face and I let her wiggle on my tongue while Anastasia (I think, I couldn't see!) sucked me hard again. Then I was left alone with Nicole and after some tit-licking I got on top and started riding her. Unlike the other girls, Nicole seems to lose control a bit while having sex; her eyes roll and she starts smiling uncontrollably (her legs go as well apparently) which is a real turn-on for me because I know she's enjoying it. We fucked like this for a while and then changed to doggy. Then we sat on the bed while she wanked me. I particularly liked her hand technique, not just up-down-up-down, and she had me on the edge of orgasm for what seemed like ages. At one point I thought I was ready to cum and got myself prepared to give her a facial, but for some reason it didn't happen. A bit more chat while she fondled me, then she asked me how naughty I liked to be. I'm

naturally a bit shy and reticent, nevertheless I started telling her about a duo booking I did with Angie George and Isabel back in the early summer. Talking about fucking two porn stars up the arse (or "bum sex" as Angie calls it) while a beautiful girl has her hand around my todger and is echoing "You fucked them up the arse?" proved to be a winner and soon Nicole was wanking me to a lovely sticky climax all over my stomach and her hand.

That was pretty much the end of the party, and my body couldn't take any more anyway, so I had a shower and got dressed, made sure I said goodbye to all the girls and Max, and left. Max's parties are always at least "very good", but this was right up there with the very best of them in my opinion. I particularly enjoyed the company of the new girls; even though this was Anastasia and Nicole's

first Max party, they were incredibly friendly and sexy. I feel some sort of duo booking with them is looking likely in the near future!

Just one more thing. As indicated earlier, only four of the eight guys expected to be there turned up, despite everyone confirming earlier in the day. While this is fabulous for those of us who did show up, I'd hate to see Max reduce the number of parties (or the number of girls) because of losing money on them. So if you're down for a party and something comes up which stops you attending, do the right thing and let Max know because there may be other guys who can take your place.
