The Premises:

Paris has a discrete flat not so far from the station in Bristol. Immediately, I felt at ease. It was clean, no nasty smells, Paris offered me a glass of wine and I quickly dived into the shower to get ready for the action!

The Lady:

Paris has a very sexy body, you can see that from the photos on her site! Best of all, she knows how to use it! She asked me what I fancied, though I can't remember my reply. She did a little strip for me, should could tell I was gagging for it. I quickly felt at ease with Paris, she was smiling and friendly, her smiling and friendly demeanour would get her a good job in any customer facing role. She kissed me properly and that was just so good! She lay down on her bed, I got on top of her and we kissed some more. I kissed her neck and shoulder, played with those big juicy tits of hers, worked my way down her torso to that fresh little beaver of hers which received a good working over, Mmmm!!! Then it was role reversal, me on my back with my cock in her mouth, that was just so good! I had to ask her to stop or I would have cum. Then she slid a condom on me and we got down to some seiously good old fashioned fucking. After a little while she got on top of me, I loved the watching her tits hand freely as I thrust into her. At this time, she was saying some very, very rude things to me! I decided that I wanted to cum in her mouth so she spun around 180 and got to work my cock whilst I grabbed her thighs and fucked her with my tongue. She's such an expert at BJs that it didn't take her long long to make me shoot, despite the condom. An excellent orgasm, I think she even quite like the way I screamed into her snatch as I came. As I lay there, spent, we chatted. She's really easy to talk to, she could easily be the girl next door! Paris fetched me another glass of wine, I wanted to pay for it but Paris would have none of it.

The Story:

I enjoyed my time with Paris and have no have no hesitation recommending her. For me, feeling safe is essential and for this reason I'm sure I'll go back at some point....
