The Premises:

Small house in Leamington Spa, clean, felt safe no one was on street. Was let in by the maid.

The Lady:

Slim, and nicely toned, and beautiful Indian girl. Hair till shoulder length, golden brown skin, and trimmed pussy. Was wearing sexy black lingerie set and high heels.

The Story:

Rang the number, and the maid picked up. I had seen an advert saying there was a summer offer on for ?100 an hour anything goes. Got there and asked for that service and provided my requirements, only the maid said she would charge ?140 as both Nya and the maid were not aware of the advert even after showing it to them.

Got there, and after discussing decided to change my mind to the ?70 for 30 mins offer (as talks didn't seem promising). Was told for ?70 I would get full personal, OWO, massage and kissing. However when alone with Nya, she told me I could kiss her but only on her lips and breasts. This put me off straight away. Massage was poor as well and not worth it. Oral was ok, but not great. Only the sex was good, liked the way she talked dirty.

Overall wasn't very pleased and left after 20 mins. Felt like the girls were more interested in the money than providing a decent service. Not worth visiting the place.
