The Premises:

New apartment block near Sheffield University campus. Perfectly safe. Nice flat.

The Lady:

She looks so cute on her website that it couldn't be true. A plainer face than I had imagined but with a wonderfully slim body.

The Story:

Ayako is politeness personified. She undressed me and helped me shower. Then joined me on the bed. There were disappointments, not being a gravure model and a large tatoo around the pubic area. But despite these negatives Ayako was a joy. I had the best sex ever. I made love to her for 40+ minutes and she wasn't happy until I was satisfied. It was an encounter where she seemed to read my mind and we flowed from one position to another. Highly memorable! I felt I was a young man again....and that is worth a fortune to me.

Perhaps I'm seeing Ayako through rose tinted glasses. But if you're in the environ and have 120 notes to spare, she's worth a detour.
