### The Premises:

Nicer than the average flat situated in Paddington quite large and clean. Nicer than going to pokey little flats

### The Lady:

The photos on site are a good representation, a very attractive Italian girl of average height and build. Her English is ok. She does have a wonderful sexy smile which isn't apparent in her photos though. Great skin complexion.

### The Story:

What did we do and was it enjoyable? Well pretty much everything really, she liked to take the lead from the moment I entered her flat, not that she was in a hurry, more a case of her genuinely getting some sexual satisfaction, as well as money, from her clients. She wore a lovely dress when she opened the door and as she sat next to me on her sofa it became apparent very quickly that she had hold-up stockings on. We undressed each other and retired to her bedroom. What followed was two rounds of great sex that left my balls and body drained. This girl is a dynamo and is up for everything apart from swallow, gives a great BBBJ though, tilted her head nicely to achieve deep throat, I came in her mouth but she spat it, discreetly. Second round was a complete list of just about every sexula position culminating in doggie, the sight of her peachy arse as I pounded her tight shaved pussy will live with me for a long time. Eva loves to ride cowgirl and if you spend long enough eating her pussy she will let you know that she has cum.

Left feeling very satisfied, damned good girl and at the rate excellent value.
