The Story:

Jenny started by slowly undressing me and putting my head into her boobs. We then started kissing and playing with each other, before Jenny started to kiss and lick my cock and balls. She quickly moved when she discovered that one of my favorite positions is 69, and she gave me a fantastic bj while I enjoyed licking her out. This was something Jenny enjoyed also, and she told me that oral sex is a favorite of hers, and she certainly knows how to please a man. It wasn't long before she made me cum, and then she sat on my cock as we had a nice fuck. We then moved to the shower where she cleaned us both up and gently played with my balls again. After the shower we sat and chatted for a while before we said our goodbyes for the time being, as I will return to see Jenny again sometime.
