### The Premises:

Spacious flat, clean and tidy

### The Lady:

Danni was very slim, with a small A cup (?) chest. She had a pretty face and looked Italian, although I think she said she was Polish.

### The Story:

Called first and was told there were two DD girls working. Well Danni was barely an A cup. The other girl had a bigger chest, but strangely for me I chose the girl with the smaller boobs.

This was a pretty straight forward punt. I asked for everything covered. Danni's oral technique was way above average and her mouth to mouth kissing was quite passionate. Managed 3 positions as usual and finished on top.

When you leave you exit on to a quiet street, with not much around besides the flats behind you. One of the residents seems to have an issue with what's going on here as he was shouting abuse at me as I left. I assume he was hanging out of his window, I didn't look back to find out, despite him repeating the same thing several times. Something along the lines of - you dirty filth bastard! I just ignored it, which seemed to upset him as he just repeated it even louder.

Newbury Massage need to sort this guy out, as it's made me think twice about returning here again.
