The Premises:

ground floor appt in a terraced house. This was in a reasonable residential area. The interior was well decorated and very clean and smart.

Parking was available round the corner. It all made me feel quite safe and there were no worries about leaving the car.

The Lady:

Celeste met me and was immaculately smart. She was very well dressed and was wearing the largest smile that I have ever seen. She is about 5ft 7ins tall. Any photographs that I have seen do not do her justice.

The Story:

After a quick coffee, I was led through to the bedroom where I had the most wonderful hour or so (Celeste overran the time very considerably). I am not going to describe what happened (that was between the two of us to know about and for others to wonder) but let me say that all on her website was freely available with the most wonderful smile and sense of humour to go with it. I have never met such a great girl and can't wait to see her again which will be as soon as possible.
