The Lady:

See her wonderful web-site....but her photos don't bring out her sparkle.

The Story:

It was a splendid encounter. Dollymopp greeted me warmly and offered refreshments. As I'd walked some distance, I was also pleased to be able to shower.

I have long been impressed by this lady's website. The reality exceeds expectations. She is a true courtesan, offering mental, visual and physical joys, and is concerned to ensure that her partner-of-the-moment is pampered and pleased throughout. It would be a pleasure to spend much longer with her, as there would be no boredom, either in an art galley, a restaurant or in the bedchamber. Every sense was stimulated, and there were electrifying times ;-)

The only word of warning which I would pass on is that, once Dollymopp has reached her pleasure-heights, a wise man will be careful, as every part of her seems to be quite amazingly sensitive to any stimulation!

I look forward to another encounter with this very life-enhancing lady.
