The Lady:

Beautiful blonde girl from Czech, mid 20's, nice tits, size 8-10.

The Story:

Started with lots of kissing and groping. She offered her tits to me, so I began to suck them - she has nice nipples. After a few seconds, I feel liquid emerging the girl was milking, I carried on sucking both nipples together and soon she had an orgasm. Then she gave OWO (very deep), I returned the favour with going down on her. She wanted to suck my dick again, so I thought forget fucking today as well, I'll cum in her mouth and so I did, the whole load in her mouth. She didn't swallow, so with a full mouth she went running downstairs.
