The Premises:

Posh flat in very upmarket Mayfair

The Lady:

Not really as good looking as pics - still attractive but carrying bit too much weight. Nice tits though - nice eyes and smile

Was wearing a dressing gown usually a bad sign in my view -

The Story:

Odd punt somehow - Whole deal felt a little awkward from the start and Millie a bit reserved / distracted

Nice deep kissing however to start and then some BBBJ which was not too skilled. Somehow I didnt DATY like I usually do so do i not know if on offer. When we fucked it was good with Mil responding and again good kissing till i came in mish

A lull and Mil kind of just lay there - I got hard on my own and then some more fucking but I kind of lost interest

Millie seemed a nice girl and was friendly but acted like a slightly reluctant GF. If you want to make all the running then fine - and clearly she may respond differently to someone else as all other reports a positive - but i would not be surprised if she gives this game up

I left 15 mins early --
