The Story:

I've met up with Roxy on several occasions, and I'm now once again back again for more.

As ever, a very calm, relaxed, refined and intelligent lady.

Twenty minutes chatting about what was going on in our lives followed by some very saucy chat. Roxy changed into a nurses outfit and then we did some very slow raunchy role play. After some verbal teasing, we got down to business. She certainly gives the impression that she enjoys what she does.

We broke for a while and carried on chatting. Realising my "energy" was on the way "up", Roxy changed into a very skimpy outfit (which I'd requested along with the Nurses outfit) and before I knew it we were off again.

Roxy is very comfortable to be around and makes me feel very at ease (she likes to cuddle as well as get horny). Certainly not a clock watcher. We went for round three before she left ... though at this stage it was her that did most of the work (I'm getting old :))

Until the next time Roxy.
