### The Premises:

Tidy and presentable end terrace , easily found following instructions from Helen and only five minutes from the town centre. House on quiet estate with easy parking, felt safe and private

### The Lady:

Helen is a very classy , easy going MILF and has a figure and attributes girls half her age would envy. Nice shaven pussy with lovely firm tits ( great nipples) , obviously a lady who looks after herself

### The Story:

Made to feel very welcome from the moment i entered the house , taken upstairs and had a lovely view of what was to come !! Started with some nice kissing and cuddling leading on to me taking out , and playing with, her lovely tits. Asked if she tasted as good as she looked and was told to find out for myself, heaven ! ( and she does by the way ). Helen then played with my cock until i could stand it no longer and i entered her and gave her everything i had.

A great fuck made even better by the fact that Helen appeared to enjoy what she is doing almost as much as i did. Thoroughly recommended and will be visiting her again to try some anal action
