The Premises:

a flat just behind the station. Busy area so no fear of twitching curtains, in a block of apartments. Place was clean and tidy, fit for purpose.

The Lady:

said she was a 40's MILF, was rather generous on her age! However, she was a nice lady, larger Milf with short hair and lovely new zealand accent.

The Story:

a decent rub and tug, she has a pierced clit for those who want more. We had a decent rub down, good conversation and a sticky climax. Wil visit again as once in a while it is good to have a hand job.
