The Premises:

New apartment on the outskirts of Solihull town centre. Discreet, easy to find and plenty of free parking. Apartment is clean and bright and bedroom is warm and comfortable.

The Lady:

Vanessa is tall and slim but toned with a light tan. Her breasts are small but prominent with lovely nipples.

The Story:

She is bright, chatty and confident girl in her twenties. Nice manner and a lovely smile. I took a bottle of wine and we had a brief chat before she gave me a relaxing massage. Then we went on to more intimate activities including covered oral - but she has a good technique so no problem there. Then 69 and finally with her on top we both had a great climax. The whole hour was fun with a great girl. I will be seeing Vanessa again soon. She does not have a website but works on personal recommendation. I can definitely recommend her!
