The Premises:

it was a clean and tidy flat, the area felt safe and was busy so felt that no one was paying any attention to me.

The Lady:

The photos(which are a lot better than previous ones) are correct and the physical discription is almost perfect. She is tall, has beautiful breasts and is very charming.

The Story:

Was met at the door and OMG Tammy is stunning, she is beautiful, chatty, polite and i could go on and on but must not. if ever there was a girl that will keep you spending whilst we are in this recession then this is the lady. nothing was too much bother and when we got down to what she does best watch out fellas she will keep you going. i enjoyed my time with tammy and will be booking again.

One thing to mention is that i had requested that she be wearing her school girl outfit but yet again the agency did not pass this on to her.

Will i recommend yes but fellas make sure you treat her right she will be at the top of my revisit list for some time as i have not been able to find anyone in the past or present to match her
