### The Story:

Found my way there easily enough to be met by this gorgeous babe. Got thins sorted out and was bedroom and shower. Once spic and span we got going. Moved on smooothly and her hands and mouth worked there wonders and I was soon hard and eager for humping. Got her on top to start wow what a site. Then had a quick go at doggy before humping my was to happiness on top of her. Lovely girl very nice shagging. Worth a return visit I think.
