The Premises:

First floor accommodation with a car park at the rear and additional rear access. Given a sneak preview of the adjoining accommodation which will form part of, and should transform, Brooklyns when completed. Work nearly finished and it appears clean, fresh, modern and comfortable.

The Lady:

Brooke is attractive, slim and in her early 20's.

The Story:

Brooke started by asking me to give her a gentle spanking which she said she enjoys. We then moved on to some rimming. As they say, the cleaner you are, the dirtier they get so I always make sure I shower thoroughly wherever I go. Brooke is certainly an expert rimmer. Not only that, but she uses her "magic" fingers to tease and please at the same time. Lovely!! We went with the flow and some sweet, sensual oral followed - accompanied by those fingers and fingernails again(!) - before going for the Big Bang. A really intense experience!! Just be considerate and you'll find a very enthusiastic, imaginative and versatile lady. (Must confess - I am now a regular.)
