### The Story:

An amazing experience ? Juliana is a very sexy woman who is fun and playful and did everything to my satisfaction offers a real GFE experience.

started by welcoming me inside dressed in nothing but a black lace mini dress ? you could see she was utterly naked underneath it ? sat me on the bed and began to undress revealing an amazing curvaceous and toned body she then got on her knees and starting licking and sucking my cock very playfully.

She kept up with what I wanted from her and offered utter satisfaction as well as amazing intercourse ? she didn't shy away from different positions and overall I was more than satisfied and couldn't of asked for more in an escort I will without a doubt return to her soon and it will be for more than an hour.
