The Story:

Emma let me in and we went straight through to the bed room,we sorted the money and Emma left me to get ready putting on porn and using air freshner to make me comfortable.I undressed and layed on the bed ready,very shortly Emma returned and provided a lovely soft massage with oils whilst i just laid back and enjoyed her touch. After a while it was time to turn over and have a front massage and to work me up for the condom.This is when Emma stripped out of her underwear and all i can say is WOW what a lovely slim body and breasts she has and then covered oral which was the best covered oral ive had, usually through the condom you cant feel anything but not this time and her technique is great.she had me to the point of cumming twice before i had to move on to the main event with sex in both missionary position and with Emma riding me to compleation. I was very nervious when i arrived,but Emma put me at ease very quickly and made all the right noises and i hope she enjoyed herself as much as i did. She really is a diamond and deserves to be treated as such. thanks for a lovely time and i hope to see you again soon, jeff
