The Premises:

Fairly quiet street, so reasonably discreet. Once inside the flat, it was really warm (on a cold day!), with air conditioning in the room. Very clean and nice, generally. I had to wait about 30 minutes before seeing Natalie, but thanks to a friendly maid, tea, strawberries and a well-equipped lounge, this never felt awkward.

The Lady:

Gorgeous slim brunette (I believe Eastern European), natural but large breasts (perfect!).

The Story:

Started with short massage, progressed to Oral with, on to sex in mish and then doggy. Finished me off with HR.

Natalie is a really lovely girl, we chatted freely during massage as well as afterwards, so I never felt she was trying to get me out of the door (though it was really busy that time)

My only gripe was that she would only do mish and doggy (though I really wanted cowgirl), so if you like a wider range of positions, she may not be the girl for you. However, if you like a girl who is friendly and intelligent, and genuinely interested in you as a person, I can thoroughly recommend her.

BTW, this was my first punt, so I obviously have nothing to compare it with. However, I will certainly return to Silk and Stockings, thanks for a great afternoon!
