Gorgeous mixed-race girl with busty 34GG figure. Great personality, fun to be with and enjoy. Just take a look at her website - she?s everything it promises?

The Story:

Dressed in a short black dress, her breasts prominently displayed, Paris greeted me with the softest of kisses, and an embrace which continued as she lead me to her boudoir. There she brought me a small bottle of wine, and as I drank she gyrated before me, offering up her body to be fondled and touched. As she helped me explore her, I came upon her naked pussy. Already warm and wet, it positively glistened - a promise of nothing but pleasure. Stripped naked, her magnificent breasts oiled and ready to be indulged, I was soon enjoying everything her body had to offer. As we took each other in 69, her pussy was an absolute delight and her owo on me was quite sensational. Later, in cowgirl, her seductive body and her suggestive talk, ensured that I climaxed. Afterwards, I turned over so that the pleasure could continue as she sensuously massaged me with her breasts and her body?

All round, a wonderful, full hour of pure pleasure, with a bright, talkative, genuine girl, who delivers everything, exactly as promised on her splendid website.
