The Premises:

Nice flat right by the "Magic Roundabout"; 2 minutes walk from the multi-story carpark - Pia talked me in so I knew where to go. Entryphone buzzer, very discreet.

The Lady:

Very attractive woman in her late thirties, as you can see from the photos on her site. When I arrived Pia met me dressed in smart business-style attire; underneath she had on some nice black stockings and lingerie. Fully shaven and particularly cute in the front bottom area.

The Story:

Pia had been on my "wish list" for quite some time, so I was really looking forward to finally meeting her in person. We had a chat in the kitchen while she got me a drink, and I knew that we had "clicked".

Pia knew just how to pace things to make the most of our time. She kisses sensuously, gives great Oral (uncovered), and really loves to receive RO too. We had sex in a number of positions - Pia was open to any ideas it seemed - finishing standing up against the wall. This was really good, physical, recreational sex with an attractive partner, a great punt.

I had to get going promptly soon after - shame, as Pia seemed in no hurry to get me out the door. I used her ensuite shower, got dressed, and was then on my way with a big smile on my face.
