It was not the the women in the picture. She was very skinny. They have took the picture from a different website ie Eve from Leeds - Uk-Blondes!!!

The Story:

So has i found out this was not the women on the website. I reduced my time from 1 hour to half an hour. I should off walked straight out. She started sucking, but I had to tell her what to do. I came in her month in 15 mins. She said I can only cume once. To get my own back I wanked my self off infront of her to piss her off and came all over her bed. I walked out after that. A waste of ?100. Credit Crunch girls should do better !!!!
