The Premises:

My first time at Annabellas, all to the same standards as House of Divine with easy parking. Clean and smart with a good shower in the room.

The Lady:

Chloe is a tall redhead in her mid-30s, medium size but wonderfully firm breasts, 5'8" and then extra for high heels. Shoulder length curly red hair. One nipple and belly button pierced. If the website didn't say mid-30s, I'd have guessed 30. She's got a great body and an even better personality.

The Story:

After meeting three very sexy women I picked Chloe, although either Chrissie or Monique would have been the pick of most such introductions. Then upstairs where Chloe joined me. She offered me gum to chew and then after a moment started to french kiss with great talent and enthusiasm. Clothes off with her rubbing her bum against me then a quick wipe of my bits and superb OWO.

Through the fault of my body and not Chloe's, I didn't get properly hard but she kissed and nibbled me most delightfully until for a while I got going enough to fuck for a while - she thrust against me very nicely and was really good but it didn't last for me.

Then a bit of a cuddle, kiss and chat followed by my taking a quick shower. Then out, but having to jump into a side room as the doorbell went.

Absolutely first class - looking forwards to returning on a day when I'm functioning better in order to do things properly :-)
