The Premises:

easy place to find,parking nearby not a problem.Once your inside its a very well run business and the staff are very good at making you feel relaxed and getting you sorted out.

The Lady:

An extremely cute little blonde, nice figure, lovely smile,pretty face and a great personality! i had a great time getting to know her.

The Story:

i had been in the week before and had noticed Chanel then , i came back with the intention of making sure i saw her this time as she looked really good.i was really put at ease by her sense of humour and sensual massage,by the time we got around to the serious business i was right in the mood and she was every thing i wanted and more, i really want to see her again soon and have thought about her loads since, shes very girlie but really sexy too,see you soon Chanel.
