### The Premises:

A very convenient discreet location. I don't know whether the fact that I felt so comfortable and relaxed was due to the place or the girls!

### The Lady:

Both ladies were extremely slim and attractive, with fantastic bodies. Both were very pretty, whilst Rosa has the most mesmerising eyes to complement her looks.

### The Story:

Due to a misunderstanding the ladies from the agency I had hoped to see were unavailable, however Sky worked wonders at short notice to enable me to have the pleasure of spending an hour in the company of these wonderful ladies.

I am always very selective about ladies who I see, and having not read reviews on either lady (except on on Mia which scared me to death!) I was slightly wary before I met them, and was totally relying on Sky's assurances that I would enjoy myself...

As soon as they greeted me I was impressed, not only by their looks, but their warm personalities. I felt very relaxed, and the fact that they seemed like they were looking forward to the booking as much as me probably owes more to their professionalism than my obvious charm and looks!

Without going into details, the fact that they are genuinely bi-sexual is not in doubt. They couldn't get enough of each other, but also ensured that I was the centre of attention.

The biggest complement to these ladies is that half way through the booking, I was trying to arrange a second booking for later in the evening at my hotel room!

Rosa was able to oblige and we shared another incredible hour together in my hotel later that evening... I won't go into any details about that except that I am so enchanted with her that I am now working on a plan to persuade Sky to release her from the agency and convince Rosa she should move to South Wales.

You only live once, and before you die, you must experience these two ladies. Please treat them with the respect that they deserve.

Thanks both, and thanks again Sky!
