### The Premises:

Front door a little exposed, but fine when just inside this door. Very welcoming and up to a good standard. Was shown to the lounge and offered the chance to meet all the girls available. Nice to meet Juliette's cleavage ;-)

### The Lady:

Emma is listed as 36 on their web site, but she has got a body of an 18 year old. Tanned and toned, slim size 8 with the right amount of curves for her size - perfectly proportioned. I know you have heard it before, but the photos do not do her justice! Very happy and chatty lass, really did seem to enjoy what she was doing.

### The Story:

A full on GFE (if only all girlfriends were like this), OW (did not ask about OWO as I was enjoying what she was doing so much). A few positions with Emma taking the lead allowing me just to enjoy what she was doing.

You would not believe the amount of energy this girl has got.

Afterwards stayed over my time, but think that was more to do with being the last client of the day, just chatting. Being rushed was the last thing on her mind.
