The Premises:

The place is great - I've been a few times and nobody has ever looked twice on the way in or out. The rooms are clean and fresh and the staff friendly.

The Lady:

Emma has a great body - toned with some tasteful tattoos and a pierced clit - yum! Firm breasts maybe 36c, very pert - didn't get the calipers out to check.

The Story:

Emma walked in a lit up the room with personality, passion and good humour - I think they call it Va Va Vroom. You don't want to hear the details but enough is to say she enjoyed herself which is the biggest turn on as far as I am concerned and it culminated in probably the strongest orgasm I have ever had. Afterwards we put the world to rights like old friends. Incredible experience with a great girl. Thanks a million Emma.
