### The Premises:

Head Office is the classiest pace in Stoke, and so can charge 50 pounds for an all-inclusive session; a tenner more than lesser parlours.

### The Lady:

Hannah is a pretty mixed-race brunette nearing 30, but looks a bit younger. She has a fabulous slim fully-shaven figure.

A couple of years back, she used to work under the name "Honey" at three local parlours, Abigails, Sunset Spa, & Top Of The Town. (All these three have closed recently). Hannah disappeared from the Stoke scene and had a spell in Chester; but she is now back in the Potteries.

She also works at Academy using her old name "Honey"; so you can save a tenner by going there!

### The Story:

Hannah is superb, and she gets stuck in with great gusto. Her sex technique is quite superb, and her OWO is fantastic. Hannah has a pussy that could make a dead man cum! I paid for some extras and had one of the best punts ever.

In the words of the great Ian Dury: "a seasoned-up hyena, could not've been more obscener"!
