The Premises:

Alana visited me at my hotel. Hotel is classed as a 4 star - room ok, but smallest room I have ever had at this hotel.

The Lady:

Alana is 5' 1" tall according to her profile. I thought she was taller lol. Web site says 31 years old (and after extensive questions Alana confirmed she was 31). Personally, if I owned a bar and she ordered a drink I'd want to see I.D. as she looks very young 21!! Has natural curly blonde hair - very cute. Beautiful is the only other word I could use.

The Story:

I have seen a number of escorts - some have been poor, some good, some have been excellent - and I reported on those who have reached the almost perfect level. These previous ladies would hit 95 out of 100. At last a lady who hits 100 out of 100. A date from heaven with an Angel.

Dont believe me? Google the words "cute, beautiful, fantastic, intelligent, witty" and you will be redirected to Alanas profile.

An amazing person who has had a huge impact on me and my life.

Would I see her again - YES!!!

Would I recommend her - NO why the hell should I? I want her for myself!
