The Premises:

Clean and fresh - nice flat in a modern block with entry phone and plenty of parking. Ensuite shower facilities and clean towels - yes, one of those rare places where the shower actually works.

The Lady:

Carribean background born in the UK. Very friendly and well spoken. Looked after me from start to finish. Not a stick insect (maybe size 14) - just the way I like it! A professional massage expert with a pleasant personality. Anita was also keen to ensure that I got the full hour that I paid for - how many working girls do that?

The Story:

Thoroughly enjoyed myself. Anita is fantastic at massage and made me feel very relaxed from the start. Was offered the choice of massage couch or bed and I chose the comfortable bed (why not?). Half an hour of relaxing deep tissue massage followed by some more sensual and intimate strokes when she takes her underwear off. I'm not into penetration (shagging) so this suits me perfectly and it's fantastic value for money. Anita was also keen to ensure that I got the full hour that I paid for (how many of the working girls to that?). I will come again! Highly recommended!
