### The Premises:

Nice house in a good area, felt safe and very easy to find. Didn't feel watched by neighbours.

### The Lady:

A genuine house wife, cuddly. Not a thin but not very over weight. Very large breasts and big nipples. Clean and tidy.

### The Story:

A very sexy lady, welcomed me in. Was dressed in a sexy night dress. We exchanged money and within seconds she was giving me great owo. She seemed to love being figured. We moved onto sex (protected) and i finished by cuming over her face. She even let me film it. She licked me clean. A great session.
