Natasha is a lovely black BBW....I do love dark ladies. 20 yo young but knows how to please.

The Story:

Was lucky that this was Natasha's first day and she wanted to make a good impression.

I am not one that has a massage just for the sake of it so got down to action immediately.

have to say natasha was a bit nervous at first but soon warmed to the job in hand....mouth....pussy lol

After she got going this was a great punt.

I love licking pussy and Natasha's pussy loved being licked. When Natasha came she had to bite on the pillow shy at making a noise....I like noise so next babe just scream let it out lol She totally lost control of her legs as she came again shaking she really shows her enjoyment.

Was running out of time had a knock on the door so decided to unload in her pussy doggy it always finishes me off.

this was a great punt sorry to say Natasha only works Saturdays due to college so not had chance to see her again...babe please do some weekdays..will definitely be back.

Exec Suite are getting a few really nice girls on the books well worth a visit.
