The Story:

what a disaster this turned out to be. was greeted at the door to find her laughing when asked what was funny said it was nothing and continued to laugh. went to bedroom and went through the financial formalities, after this she decided to go to the loo. finally after she came back we got down to business but she wasn't interested didn't want to do anything. when asked for owo my cock was treated like it had the plague. she fiddled around with it for a bit then attempted to put it in her mouth but didn't make it past her lips. worst ever blow job if u can call it a blow job. this continued for a while, in the end i had enough and left. phoned agency and complained, asked for refund but no joy there.

i felt so cheated by this i had to join punternet to field this report.
