### The Premises:

My Hotel

### The Lady:

Very pretty, long blonde hair, mid 20's, about 5'7". Beautiful eyes and lovely long legs

### The Story:

Spent a little time chatting - very friendly and easy going. Then after some kissing and cuddling I went down on her - she seemed to enjoy it. Then she returned the favour with a super BBBJ, no rush, just lots of pleasure.

I think the price was a special offer - best you check beforehand.
