The Premises:

Same high standards as ever - recent makeover in the rooms; no problem with neighbours or parking (but the weather was 'trocious!)

The Lady:

Brilliant. Absolutely 10/10. About 5ft 7, long dark hair, massive jugular area, gorgeous face, cute little body. Polish/Italian/German/Hobbit (see below).

Every teenager's wet dream. Works on Wednesdays & alternate Fridays (today was Monday - go figure!) and apparently also in High Wycombe. Lucky High Wycombe!

The Story:

I spent a lot of time and a lot of money with Sacha, and I wish I had invested more of both. She does everything to perfection, particularly the BBBJ to end all BBBJ's. Wicked sense of humour, evil glint in her eye, damned good fun. We have unfinished business....

One feature of note is her oversize, distinctly male feet. Huge feet. Massive. Size 12 at least, and furry like a Hobbit. I pointed this out to her, but I don't think she was convinced - denial works in very strange ways sometimes. Huge feet. Nice. Just huge. And furry. All over (especially the soles).
