### The Premises:

Enter through an archway in the high street, then into an unmarked door to the left. I didnt use their car park cos the entrance is very narrow and lots of car paint on the walls! Felt safe enough. into reception, paid the ?12 entry fee, then was shown pics of the ladies available and offered the chance to wait, or some were available now. Chose tayler as I had noted her on their website, and she was available. Upstairs was a room with a tv showing sky news and a bloke sitting in a dressing gown. Then tayler came.

### The Lady:

Scottish. about 5'2 I reckon. nice tits and bum. dark hair was dressed in a house coat which she took off as soon as we got into the room. The pics on the VH website are accurate.

### The Story:

The room had a massage table, and a sofa. there was a tv which was showing porn, but i was there for the real thing. I was asked to get my clothes off, and lie on the table face down. I was then given a nice back massage, which was spiced up with tayler tickling me with her fingernails -nice. then I turned over and ws discussed what I wanted, and the price.

Very nice snogger, and a bit of HJ to get me more intertested. I took the opportunity to grope that lovely bum, and suck her tits. then we did doggy, then 'table end' with tayler sitting on the table, then sitting mish on the sofa to end.

Lots of nice cuddles and a bit more kissing to end, then I dressed and was shown out with a goodbye kiss and asked to come again!

Nice experience, and conveneiently near to home.
