The Story:

Nikki really made me feel at ease and I would say she was a true GFE in every sense of the term. She's great company and very sweet, very pretty and she has a lovely accent. She is warm, friendly, chatty, charming and she has a cheeky smile. Oh, and she is damn sexy and a good kisser.

I won't say exactly what we did as a gentleman never talks, but I will say this; she really does enjoy herself and she makes you feel like you're really close friends.

I'm glad I finally got to meet her and I look forward to seeing her again.
