The Lady:

Pictures are a true representation of Anna, but slightly on the flattering side. Having said that, would you choose your worst pictures if you were in her place? She is very attractive with a pretty face and a wonderful body.

The Story:

She looked good enough to eat when she opened the door, wearing a sexy outfit and a smile. The present was quickly sorted out, I was offered a glass of a pretty decent red wine, and made my way to the shower with a fresh towel. Anna confessed to having had a bit to drink with some friends recently returned from a holiday, and was merry without being drunk. She has a wicked sense of humor, probably a bit charged up by the previous drinks, and managed to put me at ease in a few seconds. The job clearly suits her personality (and skills!), and whilst she was certainly providing a service, it was done in a manner that it wasn't apparent and I might say she enjoyed a good part of it. I got a two pops of fantastic OWO to CIM, which was pretty much what the doctor had prescribed :-) That was interweaved with the occasional sip of wine, some cuddle, some DATY and kissing of those wonderful natural tits and a peach of a bum. I left a happy bunny, and can recommend unreservedly.
