The Premises:

An in call at Rachel's flat. Not very difficult to find, but traffic was the usual Brighton nightmare. Safe area no obvious danger, and free parking. The place was lovely and clean.

The Lady:

A lovely looking lady very sexy and dressed not only to impress but also to excite, she certainly did . She was wearing a short white dress, with the front undone enough to show her fabulous tits, stocking tops just showing under the tight short white overall and killer heels. Looked great and so very bloody sexy.

The Story:

The meeting was everything that I had hoped it would be, I was offered a shower and a drink both at the start and end of the meeting. The massage was both relaxing and expertly done, but also very sexy. As the time went by I got increasingly aroused by this lovely lady, and when I had to turn over it was plain to see.

Lying on my back looking up at her now exposed breasts while she massaged my chest was a huge turn on. Then she kissed me full on the lips ??????.. the rest you will have to work out for yourselves, save but to mention her ball busting oral skills.
