The Premises:

Just popped past, nice place like a mini SS with front and rear access, Lovely receptionist really helpful + chatty, clean modern, leather chairs, TV, but no Brew - ran out of milk, Boo.
Parking across the road ?3 for 4 hours

The Lady:

I got well excited as I have seen Peaches on the web site, and I got there at 2.35pm all the girl were busy.

but the madam said Peaches was coming in to cover another girls shift, Yippee.

Even said she?s coming straight from college, couldn?t wait for 3pm!!

When she arrived in a grey track/jogging suit and then stripped in reception to a pair of bright pink Bra + French pants set. I had to book!!

Size 8, 34c, 5.7

The Story:

Now don?t get me wrong this should have been the best punt ever! But ended up being just very???.. Average.

Shower pits and bits. In came Peaches (Very Nice), dried off + little chit chat, thought first one of the day this is going to be Brill!!

But then thunder stroke, No real kissing then a list of extras, everything was extra???

Really extra. . . . and even was ?60 for service?? But as from other Reports quoting ?50, she said that was weekend rate?? Suit + Tie Rate?? Lol.

Oh well, OW, then 69, mish doggy, mish. Polite chat got dressed off I went. I think this place has potential and the other girls look good but there are other places equally better & value for money!

The adventure goes on???..
